

WHAT YOU WANT

Drive more customers into your service department.

Be one of the first results when customers search for service and parts online.

The ability to compete with independent service shops.

Ability to pay for digital advertising using Parts iMR Funds.

WHO'S SEARCHING?

HOW IT WORKS

Customer searches online for a service-related term.

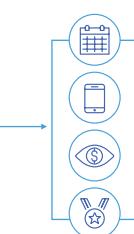

Your dealership's customized service ad is shown as a top result.

You only pay when the customer clicks on your ad.

Traffic is sent directly to most relevant service page on dealer's site.

Appointments scheduled, phone calls and top-performing ads are captured.

Epsilon technology re-invests your budget toward ads that are driving appointments and calls, giving you insightful reports.

With Paid Search, your ads will show to customers who are...

IN-MARKET

Customers are searching for services they need now

LOCAL

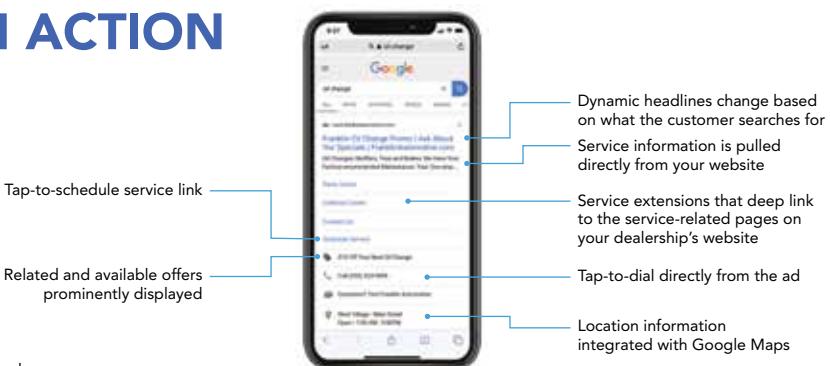

Ads are shown for searches in your surrounding area

PROSPECTS

If they were your customer, they would have searched for you by your name

YOUR AD IN ACTION

Your ads are **dynamically personalized** in real-time so that they are perfectly aligned with what people are searching for.

Final ad elements are determined by Google.
